**AGENDA DATE:** September 28, 2010

**TO:** Mayor and Councilmembers

**FROM:** Engineering Division, Public Works Department

**SUBJECT:** Approval Of Parcel Map And Execution Of Agreements For 1006 And 1008 Chino Street

### **RECOMMENDATION:**

That Council approve and authorize the City Administrator to execute and record Parcel Map (Map) Number 20,790, finding the Map in conformance with the State Subdivision Map Act, the City's Subdivision Ordinance, and the Tentative Subdivision Map, and other standard agreements relating to the approved subdivision, and authorize the City Engineer to record a removal document for the Land Development Agreement when the public improvements are complete.

### **DISCUSSION:**

A Tentative Map for the subdivision located at 1006 and 1008 Chino Street (Attachment 1), was conditionally approved on January 27, 2010, by adoption of the Staff Hearing Officer (SHO) Conditions of Approval, Resolution Number 005-10 (Attachment 2). The project involves a merger and subdivision to create three new residential condominium units.

In accordance with the SHO approval, the Owner(s) (Attachment 3) have signed and submitted the Map and the subject Agreements to the City, tracked under Public Works Permit Number PBW2010-00352. It is necessary that Council approve the Map since it conforms to all the requirements of the Subdivision Map Act and the Municipal Code applicable at the time of the approval of the Tentative Map.

Staff recommends that Council authorize the City Administrator to execute the subject *Agreement Relating to Subdivision Map Conditions Imposed on Real Property and the Agreement for Land Development Improvements*.

The *Agreement Assigning Water Extraction Rights* does not require Council approval, and is signed by the Public Works Director in accordance with City Council Resolution Number 02-131.
